Experience

Financial Client Manager
Willis Towers Watson

08/18-09/21
Baltimore, MD

As a financial client manager I was responsible for creating an organization's healthcare budget and managing their rising healthcare cost. To accomplish these goals I worked closely with senior leadership on budgeting and recillation. Additionally, we worked with senior leadership to implement wellness programs and optimize provider network access.

Financial Client Manager
USI Holdings

11/17-8/18
Baltimore, MD

As a financial client manager I was responsible for creating an organization's healthcare budget and managing their rising healthcare cost. To accomplish these goals I worked closely with senior leadership on budgeting and recillation. Additionally, we worked with senior leadership to implement wellness programs and optimize provider network access.

Logistics Analyst
The Keniffic Group

12/16-11/17
Baltimore, MD

As a logistics analyst I was responsible for ensuring contract deliverables were received on schedule. I accomplished this by resolving alignment issues between the Coast Guard's Asset Project Office and the Project's Residence Office. Additionally, I facilitated and led a maintenance development working group that was responsible for resolving issues impacting allowance equipment and engineering data for provisioning.

Education

Certificate in Web Development: Johns Hopkins, Baltimore, MD

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, JQuery, Bootstrap, Node Js, MySQL, MongoDB, Express, Handelbars.js and React, Agile.

Master of Business Administration (Finance): Our Lady of the Lake University, San Antonio, TX

Bachelor of Business Administration (General Business): University of Texas at San Antonio San Antonio, San Antonio, TX

United States Army
